Jonathan Langley's life took a devastating turn when he lost his eyesight to a rare illness. Once a successful painter and printmaker, Jonathan now lives in complete darkness, rarely leaving his apartment and angry at the world. When he encounters his precocious 11-year-old neighbor, Lupe, the two form an unlikely friendship. Her cheerful presence shatters his hardened exterior, revealing a gentle man struck by tragedy. Lupe leads him to a fresh perspective by showing him the power of kindness, compassion, and love. Based on the celebrated teachings of Louise Hay, *Painting the Future* explores the power of positive thinking in healing past struggles and learning to live a joyful, heart-centered life.

From the New York Times best-selling author of *You Can Heal Your Life* Mirror work has long been Louise Hay's signature method for cultivating a deeper relationship with yourself and others, and leading a rich and meaningful life. Now, in *Mirror Work*, she shows how in just 21 days, you can master this simple but powerful practice as an ongoing support for positive transformation and self-care. "I have been teaching people how to do mirror work as long as I have been teaching affirmations . . . The most powerful affirmations are those you say out loud when you are in front of a mirror, looking deeply into your eyes. A mirror reflects back to you the feelings you have about yourself. It makes you immediately aware of where you are resisting and where you are open and flowing. It clearly shows what thoughts you will need to change if you want to have a joyous, fulfilling life." - Louise Hay

"This little book is filled with positive affirmations. Every thought you think and every word you speak is an affirmation. So why not choose to use only positive affirmations to create a new way of thinking, acting, and feeling?...By reading these affirmations—one a day, several at a time, or just by opening the book at random—you're taking the first step toward building a more rewarding life...I know you can do it!" – Louise L. Hay

21 days of positive affirmations to start your day and lift your soul.

This is a book of ideas to spark your own creative thinking process. It will give you an opportunity to see other ways to approach your experiences. . . . As you read this book, you may find statements that you don't agree with; they may clash with your own belief systems. That's all right. It's what Louise calls stirring up the pot. She says, ""You don't have to agree with everything I say. But please examine what you believe and why. This is how you'll grow and change. . . ."" Begin reading anywhere in this book. Open it at will. The message will be perfect for you at that moment. It may confirm what you already believe, or it may challenge you. It's all part of the growth process. Know that you are safe and all is well.

Within each of us is a center of wisdom far deeper and greater than we are aware of. The meditations in this book are designed to connect with that center and magnify our understanding of life. When we are willing to open our consciousness to new ideas and new ways of thinking about issues, then our lives change for the better. The way we begin our day sets the tone for the experiences that will follow and how we will react to them. A good way to use this book is to open it at random first thing in the morning. Know that the meditation you choose is the perfect message for that day. It's also nice to close the day with uplifting thoughts. This will allow you to have pleasant dreams and to awaken clearheaded in the morning. Remember, in the vast infinity of life, all is perfect, whole, and complete ... and so are you. Louise L. Hay, the bestselling author of *You Can Heal Your Life*
