Collection of the monthly climatological reports of the United States by state or region, with monthly and annual national summaries.

Quilted and embellished with beads, crystals, fibers, and found objects, inchies--quilts measuring 1 inch by 1 inch--are miniature works of art that can be incorporated into traditional, contemporary, and art quilts as an integral part of the quilt design. This mixed technique and pattern book provides complete instructions for innovating and adapting the Inchie techniques.

The first comprehensive monograph in blast cleaning technology, this book provides a comprehensive review of the technology, with an emphasis on practical applications. The author first systematically and critically reviews the theory behind the technology. Next you ' ll learn about the state of current blast cleaning, surface quality aspects, and the effects of blast cleaning on the performance of applied coatings. You ' ll also discover many of today ' s cutting-edge applications, including micro-machining, polishing, maintenance, and surface preparation for coating applications. Finally, the author describes recent advanced
