This fourth audiobook in the Zorn warriors series was about the great Hyvin Berr, father to the heroes in the first three books and leader of all Zorn. He was, if you remember, rather outspoken about not allowing his son Ral to bound with his human Ariel which caused lots of problems.

Kidnapped from Earth and transported to planet Zorn to be sold as a sex slave, Shanna is ready to fight

anyone who tries to touch her. She's not going to take any crap off some alien men no matter how big, terrifying or muscular they are. Freed by Hyvin Berrr, a huge, sexy Zorn warrior, Shanna demands he take her under his protection when she realizes she's stuck on Zorn. She's not sure if she wants to fight her feelings for the sexy alien, though if a woman has to lose a battle, this just might be the one time to concede.

The Worm Ouroboros (1922) is a high fantasy novel by E. R. Eddison. Inspired by the Norse sagas and medieval history, Eddison crafted an epic story of magic, adventure,

romance, and war. Praised by New York Times critic Edwin Clark as a novel that “ transcends all ordinary life, ” The Worm Ouroboros is frequently named among the greatest works of fantasy fiction ever produced. At their palace in Demonland, Lord Juss, his brothers Goldry and Spitfire, and their cousin Brandoch Daha receive an ambassador from Witchland. After a brief introduction, the visiting dwarf reveals his business—King Gorice XI demands their absolute fealty. Rather than submit, however, Lord Juss challenges Gorice to a wrestling match with Goldry, to be held on the neutral Foliot Isles. Knowing the fate of Mercury hangs in the balance, Goldry fights bravely and defeats the wicked King. Through black magic, however, an evil sorcerer condemns

Gordry to imprisonment on a mystical mountain peak. Distraught, Juss, Spitfire, and Brandoch return to Demonland to mount an army in order to march on the capital of the Witches, who have joined forces with Lord Gro of Goblinland. The Lords of Demonland break through enemy lines, making their way to the citadel of Carcë, where they mistakenly believe Goldry has been taken. The Worm Ouroboros is a story of bravery and betrayal by a master of high fantasy whose imaginative gifts have influenced generations of devoted readers. With a beautifully designed cover and professionally typeset manuscript, this edition of E. R. Eddison The Worm Ouroboros is a classic of British literature reimagined for modern readers.

Brenda spent four years trapped in an unhappy marriage. She's so desperate to start a new life somewhere safe that she's agreed to go to another planet with a handsome alien stranger. When he's killed, she finds herself in the home of a Zorn warrior willing to protect her until the fallen warrior's brother arrives to claim her. Brenda never believed in love at first sight until she gazed into the gorgeous blue eyes of Argis Rever. He's tall, dark, sexy...the kind of guy she's always dreamed of finding-and already bound to another human woman. She could have lived with letting the man of her dreams slip through her fingers, except he isn't happy-the horrid woman doesn't even want him, and will never love him.

Brenda has lost a lot in her life but she's not willing to lose the one chance at finding happiness with a man she's falling in love with. She's more than ready to start tempting Rever into finding his own happiness...with her.

She swears he's her enemy, but he's determined to be her lover.... Three interconnected stories of hot vampires-- and the women who love them.

She intentionally abducted him because of his prowess, so when the chance arose, he stole her for revenge. Aylia is on a quest to get pregnant, and in the time-honored tradition of her people, she must find a suitable

male for the task. Seducing a warrior is harder than she expected, especially when her body turns traitor and melts at his touch. When he flips the situation around and takes her prisoner, he somehow manages to steal her heart. And she might just have to kill him to get it back. Being the scourge of the galaxy comes with consequences, like females wanting his body--and males wanting his head. After he meets Aylia, he learns that not all battles are fought using fists and knives and the deepest wounds come from the heart Through the vastness of space, brothels and unmentionable places in between, can this stubborn pair overlook their pride and past to come together? Or will they forever abduct each other, unable to admit their love?
