The 3208TA is one of the most popular and best engines Cat ever built patterned after the original 3160 which was built for Ford trucks. It's a big chunk of iron and heavy, but seems to run forever. Parts are readily available and at cruising speed (2400 rpm) it only burns 14.6 gallons of fuel which is remarkable for something this big.

The skills required for top-notch canvaswork are astonishingly few, and canvas's potential to protect your boat and enhance your enjoyment of it is practically
