Displaced by the Pakistan floods, Rani's family has taken refuge at a relief camp where they are doing their part to help other flood victims. Eight-year-old Rani wants to assist but doesn't know how. Heeding the advice of her father to help in a way only children can, Rani embarks on a journey to bring true joy to a dear friend on the occasion of Eid. "This sweet, touching story is based on the historic 2010 floods in Pakistan which affected 8.6 million children. As a result of reading Rani in Search of a Rainbow or having it read to them, youngsters will be introduced to the culture of Pakistan." --WAYNE WALKER,HOME School Book Reviews "Abdullah's use of poetic language and Rani's quest to find her place in her community will keep readers turning the pages until the end." --GWENDOLYN HOOKS, author of 17 books for young readers "Rani in Search of a Rainbow glows under the colorful hues of its text and rich characters. As readers, we are taken into a unique setting that one would not expect to visit in the confi nes of a children's picture book." --JEWEL KATZ, author ofKyreena's Bollywood Dream&anj&Cinderella's Magical Wheelchair SERIALIA ABDULLAH is an award-winning author and designer based in Austin, Texas. Her other books include:Saffron Dreams, Beyond the Cayenne Wall, My Friend Suhana,yandYA Manual for Marco. The author has received several awards for her work including the Golden Quill Award and Patras Bukhari Award for English Language. From Growing With Love Series at Loving Healing Press# LCN: 2014024041 Juvenile Fiction : Social Issues - Homelessness & Poverty

A completely new edition--with a new introduction by Amanda Palmer--of Robin Marty's best-selling manual on what to do if/when Roe v. Wade is overturned. The New Handbook for a Post-Roe America is a comprehensive and user-friendly manual for understanding and preparing for the looming changes to reproductive rights law, and getting the health care you need. Activist and writer Robin Marty guides readers through various worst-case scenarios of a post-Roe America, and offers ways to fight back, including: how to acquire financial support, how to use existing networks and create new ones, and how to, when required, work outside existing legal systems. She details how to plan for your own emergencies, how to start organizing now, what to know about self-managed abortion care with pills and/or herbs, and how to avoid surveillance. The only guidebook of its kind, The New Handbook for a Post-Roe America includes new chapters that cover the needs and tools available for pregnant people across the country. This second edition features extensively updated information on abortion legality and access in the United States, and approximately one hundred pages of new content, covering such topics as independent alternatives to Planned Parenthood, "auntie networks," taxpayer-funded abortions, and using social media wisely in the age of surveillance.

The end of Roe v. Wade is coming. How will you prepare? Handbook for a Post-Roe America is a comprehensive and user-friendly manual for understanding and preparing for the looming changes to reproductive rights law, and getting the healthcare you need-by any means necessary. Activist and writer Robin Marty guides readers through various worst-case scenarios of a post-Roe America, and offers ways to fight back, including: how to acquire financial support, how to use existing networks and create new ones, and how to, when required, work outside existing legal systems. She details how to plan for your own emergencies, how to start organizing now, what to know about self-managed abortion care with pills and/or herbs, and how to avoid surveillance. The only guidebook of its kind, Handbook for a Post-Roe America includes an extensive, detailed resource guide for all pregnant people (whether cis, trans, or non-binary) of clinics, action groups, abortion funds, and practical support groups in each state, so wherever you live, you can get involved. With a newly right-wing Supreme Court and a Republican Senate, Roe is under threat. Robin Marty observes: "When we say abortion will be illegal in half the states in the nation, we are no longer talking about some hypothetical future--we are talking about just years down the road. We have to act now to secure what access remains, shore up the networks supporting those who need care, and decide what risks we are willing to take to ensure that any person who wants a termination can still end that pregnancy--with or without the government's permission."

"Abdullah takes us into the hearts and minds, realities and yearnings, and daily existence of women young and aged in and from South Asia. Her stunningly beautiful prose and elegant iridescent descriptions of the land that these women love is juxtaposed with the brutality and coarseness of their everyday existence." -Dr. Shirley Hord, author of Implementing ChangeBeyond the Cayenne Wall captures the cultural chasm-and sometimes the collision between the East and the West-as the characters struggle to find their individualities despite the barriers imposed by society. Tannu refuses to give up her firstborn to the caretakers of the shrine of Shah Daulah as tradition dictates. Dhool is a defiant, spirited woman who confronts the five mistakes in her life and ventures out among the wolves in human clothing to make ends meet. In a striking account of alienation and the clash of two worlds, Mansi faces some tough choices when she brings her widowed mother back with her to live in the United States.In these and several other stories, Abdullah weaves together a collection of events that spin around betrayals, confessions, acceptance, and denial, shaken in with exotic spices and flavor, a potpourri for the senses.

The most comprehensive and reliable source of information on all aspects of animal healthcare is now in its ninth edition. With updated coverage and a new look, this landmark 50th Anniversary Edition of the classic reference for veterinary students and practitioners worldwide continues its legacy of top-notch veterinary instruction. Expanded by 400 pages, this new edition includes additional information on new and emerging animal diseases, broadened chapters on emergency and critical care, expanded coverage of exotic and laboratory animals, important coverage of animal-to-human disease transmission, plus many other added and revised chapters. Available from Wiley only in the US, Caribbean, and Latin America.

Born in the Bohemian town of Maffersdorf on September 3, 1875, Ferdinand Porsche displayed unparalleled automotive engineering genius from his earliest years, designing some of the world's most iconic cars, like the Mercedes-Benz Kompressor and Typ S models. In 1938 Porsche began development of the Typ 64, the forefather of all Porsche race cars. Porsche captures the Porsche story through entries on the most iconic Porsche cars ever built, from the first 356 to the latest 911, to the mid-engine Boxster and Cayman, and all the front-engine cars including the 928, 944, 968 and Cayenne. No other sports car has achieved the success of those built by Porsche, on the street or on the world's racetracks. Part of Motorbooks' First Gear series, Porsche celebrates the German marque's history through lavishly illustrated profiles of the company's ground-breaking sports cars, each one supplemented with spec boxes and "did you know?" factoids.

The Master Cleanse Diet is often referred to as the Lemonade Diet, the Cayenne Pepper Diet or the Maple Syrup Diet, however the premise of all these diets are the same. It is a simple 10 day plan through which your body gets a complete detox. During this time you will lose weight, clean your digestive system and finish feeling happier, healthier and more energetic than you have in years. We're not always as kind to our bodies as we should be, and even when we make an effort to be healthy the truth is that our bodies are riddled with toxins from an accumulation of bad habits. Sometimes we need to spend some time cleansing our body from all these impurities, and this is where the Master Cleanse diet comes in. Here Is A Preview Of What You'll Learn The benefits of a detox How to do the Master Cleanse and Lemonade Diet for the best results A pre-cleanse plan to ease into the Master Cleanse A post-cleanse plan to ease out of the Master Cleanse Tips and tricks to detox Frequently asked questions Free Bonus: 101 Secrets For Weight Loss Success And much more! Benefits of a Detox The benefits of doing a detox are long and varied and there is no denying that you will feel better once you've done it. Remember to listen to your body throughout the program and to allow your body time to release itself of all the impurities that have been building up over the years. You'll have more energy. You'll lose weight. Your skin will shine. You'll get sick less often. You'll find it easier to cope with stress. You'll look at your dietary lifestyle in a whole new way. You won't have to reach for the breath mints. You'll sleep much better and wake up feeling refreshed. tags: master Cleanse, master cleanse diet, lemonade diet, master cleanse for beginners, lemonade diet for beginners, detox for beginners, how to detox, master cleanse diet book, how to lose weight, natural weight loss, lose weight naturally, detox for weight loss, how to lose weight fast, weight loss diet, lose weight, lose weight naturally fast, how to lose belly fat, how to lose weight for life, weight loss motivation, weight loss books, health and fitness, cleanse, detox cleanse
