### Section 1: Charlemagne Unites Germanic Kingdoms

Charlemagne Unites the Germanic Kingdoms  
Invasions of Western Europe  
Germanic invaders overran the western half of the Roman Empire. With so many invasions and constant warfare caused some changes that altered the culture, government, and the economy.

With a critical eye aimed at earlier accounts of Constantine's life, the author aims to provide the most comprehensive, authoritative and readable account of the Roman emperor's extraordinary life.

Charlemagne was the first emperor of medieval Europe and almost immediately after his death in 814 legends spread about his military and political prowess and the cultural glories of his court at Aix-la-Chapelle.

Offers new perspectives on the fascinating but neglected history of ninth-century Italy and the impact of Carolingian culture.

A "marvelous history"\* of medieval Europe, from the bubonic plague and the Papal Schism to the Hundred Years' War, by the Pulitzer Prize-winning author of *The Guns of August* \*Lawrence Wright, author of *The End of October*, in *The Wall Street Journal*  
The fourteenth century reflects two contradictory images: on the one hand, a glittering age of crusades, cathedrals, and chivalry; on the other, a world plunged into chaos and spiritual agony. In this revelatory work, Barbara W. Tuchman examines not only the great rhythms of history but the grain and texture of domestic life: what childhood was like; what marriage meant; how money, taxes, and war dominated the lives of serf, noble, and clergy alike. Granting her

subjects their loyalties, treacheries, and guilty passions, Tuchman re-creates the lives of proud cardinals, university scholars, grocers and clerks, saints and mystics, lawyers and mercenaries, and, dominating all, the knight—in all his valor and “furious follies,” a “terrible worm in an iron cocoon.” Praise for *A Distant Mirror* “Beautifully written, careful and thorough in its scholarship . . . What Ms. Tuchman does superbly is to tell how it was. . . . No one has ever done this better.”—The New York Review of Books “A beautiful, extraordinary book . . . Tuchman at the top of her powers . . . She has done nothing finer.”—The Wall Street Journal “Wise, witty, and wonderful . . . a great book, in a great historical tradition.”—Commentary NOTE: This edition does not include color images.

Explore Your German Ancestry! Follow your family tree back to its roots in Bavaria, Baden, Prussia, Hesse, Saxony, Wurttemberg and beyond. This in-depth genealogy guide will walk you step by step through the exciting journey of researching your German heritage, whether your ancestors came from lands now in modern-day Germany or other German-speaking areas of Europe, including Austria, Switzerland, and enclaves across Eastern Europe. In this book, you'll learn how to:

- Retrace your German immigrant ancestors' voyage from Europe to America.
- Pinpoint the precise place in Europe your ancestors came from.
- Uncover birth, marriage, death, church, census, court, military, and other records documenting your ancestors' lives.
- Access German records of your family from your own hometown.
- Decipher German-language records, including unfamiliar German script.
- Understand German names and naming patterns that offer research clues.

You'll also find maps, timelines, sample records and resource lists throughout the book for quick and easy reference. Whether you're just beginning your family tree or a longtime genealogy researcher, the Family Tree German Genealogy Guide will help you conquer the unique challenges of German research and uncover your ancestors' stories.

Evaluate students' progress with the printed booklet of Chapter Tests and Lesson Quizzes. Preview online test questions or print for paper and pencil tests. Chapter tests include traditional and document-based question tests.
