It's Christmas and the Reeds have big plans. Stop by to see what secrets they're sharing!

Lake Fisher is known as a place where miracles happen. The Reed Brothers are hoping for a miracle of their own — to be able to take a vacation for one solid week with no paparazzi showing up. They descend upon Lake Fisher hoping for quiet, but they find a lot more. They find a lovely community of people that welcomes them with open arms. In true Reed brothers style, they get to spread a little Christmas cheer and perform a few miracles of their own. THIS BOOK IS NOT A STAND-ALONE ROMANCE. It relies heavily on the prior books in the series. This book is told from the points of view of the five Reed brothers, Edward, and the wives. If you have not read the other books in the series, you won't be lost, as long as you know the brothers. Find out who's having babies, who's getting in what shenanigans, and find out about new romances that might be brewing in this charming novella.

The Terrible Twos is a wickedly funny, sharp-edged fictional assault on all those sulky, spoiled naysayers needing instant gratification -- Americans. Ishmael Reed's sixth novel depicts a zany, bizarre, and all-too believable future where mankind's fate depends upon St. Nicholas and a Risto rasta dwarf named Black Peter, who together wreak mischievous havoc on Wall Street and in the Oval Office. This offbeat, on-target social critique makes marvelous fun of everything that is American, from commercialism to Congress, Santa Claus to religions cults.

Philadelphia is not only the birthplace of America but also the birthplace of America's consumer culture. From the Civil War until Vietnam, Philadelphia's thriving middle class made the city a mercantile mecca, home to some of America's largest and most innovative department and specialty stores. Market Street between Seventh Street and Philadelphia City Hall was lined with five major department stores: John Wanamaker, Strawbridge & Clothier, Gimbels, Lit Brothers, and N. Snellenburg & Co. Here, shoppers could buy everything they needed to furnish their house from attic to basement, as well as the house itself. On nearby Chestnut and Walnut Streets, the carriage trade selected silver and jewelry at J.E. Caldwell & Co. and Bailey Banks & Biddle, haute couture at Nan Duskin and the Blum Store, and men's clothing at Jacob Reed's Sons. Images of America: Philadelphia's Golden Age of Retail illustrates how these emporia taught generations of Philadelphians the proper way to live.

"That's a lot of horse hockey, Hamilton." Described by the New York Times as "classic activist theater" and "a cross between 'A Christmas Carol' and a trial at The Hague's International Criminal Court." "In this, his latest work, the protean Ishmael Reed--the legendary artist and prolific writer--continues to burnish his already sterling reputation by dismantling the 'Creation Myth' of the founding of the U.S., as represented in the incredibly profitable play and musical, Hamilton. Reed, a verbal acrobat of global renown, demonstrates here why he is widely considered to be the leading intellectual in the U.S. today." --Gerald Horne, author of The Counter-Revolution of 1776: Slave Resistance and the Origins of the USA This powerful play, originally produced at the Nuyorican Poets Caf , comprehensively dismantles the phenomenon of Lin-Manuel Miranda and Hamilton. Reed uses the musical's crimes against history to insist on a radical, clear-eyed way of looking at our past and our selves. Both durable and timely, this goes beyond mere corrective -- it is a meticulously researched rebuttal, an absorbing drama, and brilliant rallying cry for justice. The perfect tie-in to both the success of and backlash to Hamilton, it is the major voice in contrast to the recent movie. It captures both the earnest engagement that fans of the musical desire, as well as the exhausted disbelief of those who can't stand it. Teachers, students and fans of drama, literature, and history will find much to love. It is written by one of America's most respected and original writers, who is eagerly promoting it, and who is long overdue for a renaissance.

A magical adventure of animals traveling worldwide to Noah's ark.

Everyone knows the rules of friendship, right? Rule #1: Don't kiss your best friend. Rule #2: Don't have sex with your best friend. Rule #3: Don't pretend like it didn't happen the next day. Bailey Renshaw is my best friend. Kind. Sweet as a peach, and so beautiful it should be a crime. Since we were kids I've wanted her, and one time when we were nothing more than teenagers I kissed her. It was the first mistake I ever made in our friendship. Giving her my heart and hoping she felt the same were my second and third. That night she broke me, ripped my heart out of my chest and stomped on it. Anyone else would've hated her for it, but it only made me value her more, and realize that I would do anything I could to keep her in my life even if it was only as a friend and nothing more. As a permanent resident of the friend zone, I promised myself that I would never cross that line again no matter how badly I wanted to, and I wanted to, badly. Every time she smiled at me, licked her pink lips, or flashed her doe eyes my way I came a little closer to breaking the rules again... but I didn't. I couldn't do that to us. Until one night when we decided to break the rules together. One Earth shattering night together and I knew nothing would ever be the same. Friends, or lovers? I don't know what we are anymore. The rules no longer apply to us. Now the only question is, can we fix what we had before it's too late or is our friendship over for good? And all because of one single kiss?***Complete standalone with a happily ever after. Don't miss out on all the gooey goodness this book has to offer.**
