~~Fanny McCoy has lived in fear and anger ever since that day in 1878 when a dispute with the Hatfields over the ownership of a few pigs set her family on a path of hatred and revenge. From that day forward, along the ragged ridges of the West Virginia-Kentucky line, the Hatfields and the McCoys have operated not withing the law but within mountain codes of their own making. In 1882, when Fanny's sister Roseanna runs off with young Johnse Hatfield, the hatred between the two clans explodes. As the killings, abductions, raids, and heartbreak escalate bitterly and senselessly, Fanny, the sole voice of reason, realizes that she is powerless to stop the fighting and must learn to rise above the petty natures of her family and neighbors to find her own way out of the hatred.~~

~~Offers advice and guidelines on how to expand a child's world through books and reading, introducing three thousand teacher-recommended book titles, craft ideas, projects, recipes, and reading club tips.~~

~~Susanna English desperately wants to join the circle of girls who meet every week at the parsonage, but she doesn't realize the leader of the group, the malicious Ann Putnam, is about to set off a torrent of false accusations that will lead to the imprisonment and execution of countless innocent people—victims of a witch-hunt panic. "The author's skillful manipulation of the conventions of the young-adult novel—particularly the rich exploration of being an outsider and going against the mainstream—makes this book a superb vehicle for examining the social dynamics of this legendary event." —The Horn Book~~

~~Provides a clearly structured and accessible guide to all aspects of contemporary Hebrew grammar.~~

~~"This small snapshot of the protest movement pays homage to both the determination of ordinary folk and the power of Dr. King's words. . . . An intergenerational story filled with heart and soul." — Kirkus Reviews When Alex spies a mule chomping on greens in a nearby garden, he can't help but ask about it. "Ol' Belle?" says Miz Pettway. "She can have all the collards she wants. She's earned it." And so begins the tale of an ordinary mule in Gee's Bend, Alabama, that played a singular part in the civil rights movement of the 1960s. When African-Americans in a poor community — inspired by a visit from Dr. Martin Luther King Jr. — defied local authorities who were trying to stop them from registering to vote, many got around a long, imposed detour on mule-drawn wagons. As Alex looks into the eyes of gentle Belle, he begins to understand a significant time in history in a very personal way.~~

~~Comfortable, flattering pants can be challenging to make—but here, David Coffin provides his inventive methods for getting it right. With his characteristic precision and straight talk—and with the help of photographs, drawings, and a series of video sequences on the accompanying DVD—Coffin teaches the reader how to get great results, whether making a showcase garment or an everyday pair.--From publisher description.~~

~~Considered one of the most influential novels in American fiction in structure, style, and drama, 'As I Lay Dying' is a true 20th-century classic. The story revolves around a grim yet darkly humorous pilgrimage, as Addie Bundren's family sets out to fulfill her last wish-to be buried in her native Jefferson, Mississippi, far from the miserable backwater surroundings of her married life. Narrated in turn by each of the family members-including Addie herself-as well as others the novel ranges in mood, from dark comedy to the deepest pathos.~~

~~In Clues in the Calico Barbara Brackman unveils a much-needed system for dating America's heirloom quilts. She tells how, by collecting and observing quilts and finally analyzing her computer file on close to 900 date-inscribed specimens, she arrived at the system. And through this telling she also imparts a colorful, stunningly illustrated history of quilting along with a good bit of entertaining social history and the newest findings in textile research.~~

~~"In this collection of precise, sequenced lessons, veteran teacher Helene Coffin shows you how she integrates reading instruction with poetry to provide beginning readers with powerful learning opportunities."--Pg.4 of cover.~~
