The experience of the divine in India merges the three components of sight, performance, and sound. This book is about the power and importance of seeing in the Hindu religious tradition. In the Hindu view, not only must the gods keep their eyes open, but so must we, in order to make contact with them, to reap their blessings, and to know their secrets. When Hindus go to temple, their eyes meet the powerful, eternal gaze of the eyes of God. It is called Darsan, Seeing the divine

Acces PDF Darsan Seeing The Divine Image In India

image, and it is the single most common and significant element of Hindu worship. This book explores what darsan means. This is also a book about the divine image in the Hindu tradition. What do Hindus see in the images of the gods? What is meant by these multi-armed gods, with their various weapons, emblems, and animals? How are these images made and consecrated? How are they treated in a ritual context? In exploring the nature of the divine image, this book not only considers the images of the gods, but also the Hindu temple and the Hindu place of pilgrimage.

This work offers a study of the physical representations of God as the central feature of Hinduism. Each of the essays explores a different topic of religion in India: bhakti, popular village

procession, puja rituals, spirit possession and guru cults.

Although the role of the visual is essential to Indian tradition and culture, most attempts to understand its images are laden with misperceptions. Darsan, a Sanskrit word that means "seeing," is an aid to our vision, a book of ideas to help us read, think, and look at Hindu images with tolerance and imagination.

The sacred city of Banāras on the River Ganges is one of the oldest living cities in the world—as old as Jerusalem, Athens, and Peking. It is the place where Shiva, the Lord of All, is said to have made his permanent home since the dawn of creation. There are few cities in India as traditionally Hindu and as symbolic of

Acces PDF Darsan Seeing The Divine Image In India

the whole of Hindu culture as Banāras. In this eloquent, finely observed study, Diana Eck shows how the city over the centuries has become a lens through which the Hindu vision of the world is precisely focused. She reveals the spiritual and historical resonance of this holy place where great sages such as the Buddha and Shankara were taught, where ashrams, palaces, and universities were built, where God has been imagined and imagined in a thousand ways. She describes the rites of its temples, the busy life of its riverfront, and the exuberance of its festivals. She tells how people travel from all over India to Banāras for the privilege of dying a good death here, for they believe that on the banks of the River Ganges where "the atmosphere of devotion is improbable in its strength," it is possible to be

Acces PDF Darsan Seeing The Divine Image In India

released from the earthly round forever. In her account of the sacred history, geography, and art of the city, its elaborate and thriving rituals, its myths and literature, and its importance to pilgrims and seekers, Diana Eck uses her wealth of scholarship to make the Hindu tradition come powerfully alive so that we come to understand the meaning of this sacred city to the millions of believers who have been coming here for over 2,500 years.

A spiritual history of India draws on more than a decade of work by a Harvard University scholar and provides coverage of its sacred places, its core tenets and the historical events of specific regions while sharing a basic introduction to Hindu religious ideas and how they

Acces PDF Darsan Seeing The Divine Image In India

have influenced modern India. Reprint.

For many centuries, Hindus have taken it for granted that the religious images they place in temples and home shrines for purposes of worship are alive. Hindu priests bring them to life through a complex ritual "establishment" that invokes the god or goddess into material support. Priests and devotees then maintain the enlivened image as a divine person through ongoing liturgical activity: they must awaken it in the morning, bathe it, dress it, feed it, entertain it, praise it, and eventually put it to bed at night. In this linked series of case studies of Hindu religious objects, Richard Davis argues that in some sense these believers are correct: through ongoing interactions with humans, religious

Acces PDF Darsan Seeing The Divine Image In India

objects are brought to life. Davis draws largely on reader-response literary theory and anthropological approaches to the study of objects in society in order to trace the biographies of Indian religious images over many centuries. He shows that Hindu priests and worshipers are not the only ones to enliven images. Bringing with them differing religious assumptions, political agendas, and economic motivations, others may animate the very same objects as icons of sovereignty, as polytheistic "idols," as "devils," as potentially lucrative commodities, as objects of sculptural art, or as symbols for a whole range of new meanings never foreseen by the images' makers or original worshipers.

Few aspects of American military

Acces PDF Darsan Seeing The Divine Image In India

history have been as vigorously debated as Harry Truman's decision to use atomic bombs against Japan. In this carefully crafted volume, Michael Kort describes the wartime circumstances and thinking that form the context for the decision to use these weapons, surveys the major debates related to that decision, and provides a comprehensive collection of key primary source documents that illuminate the behavior of the United States and Japan during the closing days of World War II. Kort opens with a summary of the debate over Hiroshima as it has evolved since 1945. He then provides a historical overview of thye events in question, beginning with the decision and program to build the atomic bomb. Detailing the sequence of events leading to Japan's surrender, he

Acces PDF Darsan Seeing The Divine Image In India

revisits the decisive battles of the Pacific War and the motivations of American and Japanese leaders. Finally, Kort examines ten key issues in the discussion of Hiroshima and guides readers to relevant primary source documents, scholarly books, and articles.

Bringing together texts from a variety of sectarian traditions, this reader provides the broadest selection of primary source Hindu literature available to date. The volume is divided into two major parts. The first section presents selections that explore major themes in classical Sanskrit traditions, including those in the Vedic, Upanis?adic, and Dharma literatures, as well as the classical philosophical-religious schools. The second part includes selections that

Acces PDF Darsan Seeing The Divine Image In India

highlight the sectarian and devotional movements related to major deities such as Vishnu, Shiva, Krishna, Rama, Sant, Tantra, and the goddess figures. In addition to a general introductory chapter on Indian literature, each major section is introduced by an essay that places the selections within the context of Hindu history. This comprehensive reader stands on its own as an indispensable anthology of original textual sources for courses in Hinduism, while also serving as a companion volume to the text *The Many Colors of Hinduism: A Thematic-Historical Introduction*.

Religion scholar Diana Eck is director of the Pluralism Project, which seeks to map the new religious diversity of the United States, particularly the increasing presence of Hindu,

Acces PDF Darsan Seeing The Divine Image In India

Buddhist, and Muslim communities. In this tenth-anniversary edition of *Encountering God*, Eck shows why dialogue with people of other faiths remains crucial in today's interdependent world--globally, nationally, and even locally. She reveals how her own encounters with other religions have shaped and enlarged her Christian faith toward a bold new Christian pluralism From the Trade Paperback edition.

'Hindu Wisdom for All God's Children' introduces readers to the spiritual riches of Hindu India. Jesuit author Francis Clooney brings a wealth of scholarship and personal immersion in the thought and life of India to a wide range of students and seekers. In seven chapters Clooney draws on aspects of Indian religious life, both

Acces PDF Darsan Seeing The Divine Image In India

ancient and modern. They include the creation myths and the discovery of the self; realization of the self in theology and meditative traditions; the self-awareness of Gautama; the quest for direct experience of God in devotions to Krishna; the mystery of God in the traditions of Shiva; the cult of the great Goddess; and the spirituality of Mohandas Gandhi and Mahasweta Devi. Clooney offers insights into how people live out these traditions today, continually raising points for comparative reflection, inviting readers to bring their own insights into consideration. 'Hindu Wisdom for All God's Children' provides a fascinating introduction to deep and ancient traditions that will challenge and enrich the quest for the spiritual self.
