The most comprehensive NLP Practitioner course manual ever written. A fully revised and updated edition, it contains the very latest in Neuro-Linguistic Programming, particularly with regard to the Meta-states model and the Meta-model of language. For all those embarking on Practitioner training or wishing to study at home, this book is your essential companion. Written and designed by two of the most important theorists in NLP today.

A revised edition of the hilarious Minnesotan culture guide from a former writer for A Prairie Home Companion Fans of the Minnesota-set movie Fargo will love this uproarious culture guide to all-things Minnesotan. With his dry wit and distinctive voice, Howard Mohr won millions of fans across the country on Garrison Keillor's radio show A Prairie Home Companion. His popular commercials and ad spots, including one for "Minnesota Language Systems," became the best of the best of Minnesota humor. Now, Mohr has updated his classic guide, How to Talk Minnesotan, to advise visitors on the use of Twitter and Facebook, cell phone etiquette, and more while in the Land of 10,000 Lakes. "Ranging in flavor from satiric pungency to lunatic lushness, this is glorious, uproarious humor. Or as they say in Minnesota, 'a heckuva deal, you bet.'"—Booklist

Lydia McCloud meets Arthur Danse at a wedding party in Plymouth, N.H., and she thinks he's a man she could grow to love. Arthur sees things differently. In Lydia, he sees the sort of woman people always want to protect. He decides he's going to show her "she wouldn't always be protected." Once their only child, Robert, is born, Arthur's behavior worsens. When the courts become involved, the nightmare really begins. This scathing novel is an indictment of a justice system that makes a mockery of its very name.
