Asset Protection in Florida covers all facets of asset preservation for Florida residents. The Fourth Edition manual provides comprehensive analysis of the many steps available to protect assets from creditors' claims, both during your lifetime and at death. Among the many topics covered are homestead, trusts (both domestic and offshore), business planning, planning for dissolution of marriage, protection of retirement and education accounts, and the ethical aspects of advising clients on asset protection issues. Bankruptcy issues and tax planning are prominently featured throughout the text. The eBook versions of this title feature links to Lexis Advance for further legal research options.

For people dealing with a personal injury claim, a landlord-tenant dispute, a small business scrape or any of the dozens of other possible legal muddles, this book points the way through the complex court system. The book also includes a chapter dealing with the specifics of handling a divorce, child custody or child support action. Written in plain English, Represent Yourself in Court breaks down the trial process into easy-to-understand steps so that you can act as your own lawyer -- safely and efficiently. Veteran attorneys Bergman and Berman-Barrett tell you what to say, how to say it, even where to stand when you address the judge and jury. Armed with the simple but thorough instructions in Represent Yourself in Court, you can be heard and taken seriously in any courtroom. Readers learn how to: .X file court papers .X handle depositions and interrogatories .X comply with courtroom procedures .X pick a jury .X prepare your evidence and line up witnesses .X present your opening statement and closing argument .X cross-examine hostile witnesses .X understand and apply rules of evidence .X locate, hire and effectively use expert witnesses .X make and respond to your opponent's objections .X get limited help from an attorney on an as-needed basis .X monitor the work of an attorney if you decide to hire one Whether you are a plaintiff or a defendant, this book will help you confidently handle a divorce, personal injury case, landlord/tenant dispute, breach of contract, small business dispute or any other civil lawsuit.

Updated to include information on the Tax Cuts and Jobs Act, including the 20% pass-through deduction available to SMLLC owners Single-member LLCs are the new business entity of choice for small businesses with one owner. Easy to form and operate, Single Member LLCs combine some of the most desirable features of older, more traditional business structures like corporations, partnerships, and sole proprietorships. With a Single Member LLC, you get personal liability protection, pass-through taxation, and flexibility of management. This book provides an overview of everything you need to know about Single Member LLCs, including: what forms and documents you need to create an SMLLC how to initially fund an SMLLC what your options are for managing an SMLLC how to prepare taxes for an SMLLC what kinds of records you need to maintain for your SMLLC, and liability issues specific to SMLLCs. Nolo's Guide to Single-Member LLCs has all the essential information you need to decide whether an SMLLC is the right choice for your business. The book includes a sample operating agreement and written consent forms as well as tips and examples throughout to help clarify the most important points.

This updated volume brings together the knowledge of multiple experts in the field of asset protection to provide an in-depth, professional analysis and review of the key issues that lawyers and financial planning professionals face in advising clients on plans designed to achieve the goals of tax savings, providing for other family members, and protecting the estate from creditors.

Featuring the most current exploration of cyberlaw, CYBERLAW helps students understand the legal and policy issues associated with the Internet. Tackling a full range of legal topics, it includes discussion of jurisdiction, intellectual property, contracts, taxation, torts, computer crimes, online speech, defamation and privacy. Chapters include recent, relevant cases, discussion questions and exercises at the end of each chapter. Using a consistent voice and clear explanations, the author covers the latest developments in cyberlaw—from cases to legislation to regulations.

By providing representation for a clearly defined portion of the client's legal needs, such as preparing a legal document or making limited court appearances, lawyers can market their practice to an entirely new client base and give their firm a competitive advantage. The only book available on the topic, Limited Scope Legal Services provides lawyers of all types—from solo to big law—with practical solutions for setting up unbundling practices in their firms.

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

Eldercare tends to sneak up on everybody involved. Adult children allow themselves to believe that their parents will never get sick or old. Parents fail to acknowledge that they will one day become dependent upon others. And ignoring the inevitable only makes it more difficult to cope when a crisis finally occurs. Fortunately, you can make your caregiving journey far easier by facing it head-on. The ElderCare Ready Book tells you what to expect and how to prepare for the challenges you'll encounter. You'll learn: · How to be prepared for your eldercare journey · How to implement the necessary steps to manage and control your loved one's care: o How to identify what information and documentation you will need o How to access certain necessary information o How to organize and keep this data at hand for use when needed · Common misconceptions about eldercare and legal documentation · How to keep your loved ones safe · What to expect from care providers · And much more . . .

Formerly Real Estate Transactions, Finance, and Development, this casebook focuses on the purchase, sale, financing, and development of real estate and the significance of legal rules and institutions at various stages of these transactions.
