different aspects of education in Gauteng
since the advent of democracy in 1994.
These essays talk to what a provincial
education department does and how and
why it does these things whether it be

about policy, resourcing or implementing projects. Each essay is written by one or more specialist in the relevant focus area. The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader. It sheds light on aspects of how a provincial department operates and why
