A shocking story of what happens when someone is not given a fair trial. David Hicks spent five years locked up in Guantanamo without charge. It goes to show that no matter what someone is accused of, we should always follow the rule of law and grant them a fair and speedy trial. A fair trial is one that does not use confessions obtained by torture.

David Hicks, an Australian citizen, was victimised by the United States Government with the complicity to the Australian Government under the conservative Prime Minister, John Howard. This book is the story of his time in detention in Guantanamo Bay and the events that led up to it. I found it compelling and fully believable.
