Half A War was an interesting conclusion to the Shattered Sea trilogy. The story takes place three years or so after the events of Half the World. The uneasy alliance between Gettland and Vansterland still exists, but has been largely toothless as their ally Throvenland could attest to since they were eradicated and their allies Mother War's long shadow has once again covered the Shattered Sea.

Half a War ist meiner Ansicht nach der schwächste der 3 Romane. Die Geschichte wird von Abercrombie gut vorangetrieben, aber ein paar Entwicklungen in der Storyline haben mir persönlich nicht gefallen (VORSICHT SPOILER: Stichwort "Massenvernichtungswaffen") und passen meiner Ansicht nach nicht in das mittelalterliche Fantasy Bild, das Abercrombie sehr eindrucksvoll zeichnet.

Half a War concludes the Shattered Sea series. It's a decent conclusion to the Shattered Sea series but it is not his best work. All the previous protagonists (Yarvi Thorn and company) are still around, but the main protagonists are Koll, Raith, and princess Skara. The problem is that I couldn't connect with any of them.
