Mysterious phone calls from San Francisco at odd hours of the night are the only contact they've had for years. Now, Elizabeth has sent her mother a plane ticket and reserved a room for her at the city ' s most luxurious hotel. Yet, since Martha checked in, she still hasn ' t been contacted by her daughter, and is feeling lonely, confused, and a little bit worried. But Martha meets someone else at the hotel: Mayland Long, a distinguished-looking and wealthy Chinese man who is drawn to Martha ' s good character and ability to pinpoint the truth of a matter. They become close quickly, and he promises to help her find Elizabeth. Before he can solve the mystery, though, Martha herself disappears—and Mayland realizes that he ' s in love with her. Now, a man whose true nature and identity is unknown to those around him will embark on a potentially dangerous adventure in a city on the verge of exploding with its own sort of magic as technology spreads through the region that will become known as Silicon Valley.
