This is my first box set and I'm so excited. We decided to do Highland Shifters in association with the release of Outlander. Like Outlander, my contribution - Lulif - is similar to a time travel piece that transports an entire pack to a pre-technology age.

Highland Shifters Paranormal Romance Boxed Set

A mysterious Druid book and Helen's sixth sense send her to Scotland in search of a missing boy. After being attacked by strange men dressed in medieval garb, a handsome, desirable hero answering to the boy's name rescues her. No one is more surprised than she to find herself in sixteenth century Scotland. Unable to deny the reality of time travel, Helen discovers smoldering passion with a man destined to leave her. Simon has lived his Druid life in two very different worlds, two vastly different times, and when Helen practically lands in his lap, he knows his life is about to change forever. There are enemies in California lying in wait for her, and an army in Scotland closing in on his family. Simon is the only person who can protect her. But when she learns his most guarded secret, will she still want him? Can Helen love a Highland Shifter?

Sibyl Blackthorne isn't afraid of anything—except maybe being sold into marriage to a man she doesn't love. A man who, by reputation, is one of Scotland's cruelest lairds in over a century.But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well?Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away.On an organized hunt for wolves—or, as the Scots call them, vulvers—Sibyl escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods.When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble.When he takes her to a place no human has ever been, she knows she's gone over the edge.And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.

Forbidden Love Is Eternal. . . "The Beast Within" by Hannah Howell Gybbon MacNachton spends his days searching for the Lost Ones—demons with the powerful MacNachton bloodline who are being hunted. When he stumbles upon Alice Boyd, living like a wild animal in the forest, she stirs a primitive lust deep within him—a lust that can only be sated by their explosive union. . . "The Vampire Hunter" by Heather Grothaus As the last survivor of her family of witches, Beatrix Levenach must protect the townspeople from vampires. But when her life is in danger, she is forced to accept help from Alder the White—a vampire from the clan who wiped out her ancestors. And when they discover an all-consuming passion, they must make the ultimate sacrifice for eternal love. . . "Laird of Midnight" by Victoria Dahl For fifty years, Finlay MacIain has hunted the vampire clan who murdered his family and made him one of them. Now, he's sitting in a tavern, waiting for the last vampire he must kill. But a beautiful wench is distracting him beyond reason—and all he can think of is teasing her until she begs him to take her again and again. . .

He Guards a Ferocious Secret:In Victorian England, gossip is often as precious as gold. But the Highlanders are a more mysterious bunch. And if anyone found out that Stephen MacAlasdair really was, he'd be hunted down, murdered, his clan wiped out. As he's called to London on business, he'll have to be extra vigilant—especially between sunset and the appearance of the first evening star. Mina just wanted to find out more about the arrogant man who showed up in her employer's office. Some might say it was part of her job. She never thought the stranger would turn into a dragon right in front of her. Or that he'd then offer her an outrageous sum of money to serve as his personal secretary. Working together night and day to track a dangerous enemy, Mina comes to see a man in love is more powerful and determined than any dragon. "A genre-bending, fast-paced whirl with fantastic characters, a deftly drawn plot, and sizzling attraction"—RT Book Reviews on No Proper Lady, a Reviewers' Choice Award Winner

He never wanted to fall in love. She never planned to let him. Jenny Layne has made a career out of investigating werewolf reports, but every case has only confirmed that shapeshifters are the stuff of legend or madness. Until now. Lured to a remote Scottish estate to meet a researcher working on the science behind the werewolf phenomenon, Jenny finds steadily mounting evidence that something strange is running wild in the hills. Billy Stewart has traveled the world in pursuit of stories of shapeshifters and other strange phenomena, but the last thing he ever expected to find was love. Billy is not a man who falls easily, but when he does, it is a force of nature. When he meets Jenny he knows immediately that she is his soulmate, but Jenny is not so sure. Are his intense feelings for her just some kind of insanity, or is Jenny turning him away because that's exactly what she always does when a guy gets interested? By turns passionate romance and gripping paranormal thriller, Last Alpha tells the story of two people whose paths collide with earth-shattering consequences. As love boils over and the dark secrets buried away in Jenny and Billy's past rise to the surface, a night of murder raises the stakes yet higher. And as she fights for her own survival, Jenny must face perhaps the biggest question of them all. In matters of life, death and love, can Beauty ever really hope to tame the Beast?
