His Eyes By: Renee Carter. Prologue His eyes, mirroring the blue of the Arizona sky, focused ahead. His muscles tensed as he felt the powerful movement of the black horse beneath him. He sat straight in his saddle, his dark jacket smooth, his breathing shallow with anticipation. This competition was harder than he had expected and he needed to ...

This is fan-made video, and this is what I think about the characters in the book, His eyes by Renee Carter. The song is "Zero Gravity" by David Archuleta. =]

His Eyes by Renee Carter - Cast - YouTube

His Eyes is a sweet little story. It has some flaws in the plotting, with one particular character who becomes unrealistically monstrous, but its heart is in the right place. The love story had a lot of warmth to it, and the family dynamics were intriguing all around. Many thanks to Renee© Carter for the review copy. Share on Facebook

But what his mother really wants is for someone his age to draw him out of the room in which he's locked himself and learn to live with his new situation. I liked these characters. I like the way they thought, I liked the way they spoke, and I liked the way they acted - even when they did things I really thought they shouldn't do.
