The test is 70 questions (35 questions each test day). Both tests contain mixed questions from the entire year. MAIN TOPICS TO REVIEW

Name Honors Chemistry

The Paper part of the final exam will be comprised of just 11 questions. The first question on the exam will be a lab. It is a lab that you have not done, but one that you could have done on the first day of the year without knowing any chemistry! It is mostly a matter of following directions, careful observation and deductive reasoning. The remaining ten questions will come from the following 25 examples.
