Karbo's book, How To Hepburn puts the spotlight on how truly unconventional Hepburn was by talking not just about her but the culture in Hollywood and the U.S. in her era. A time when women were to be ultra feminine, demure, domesticated --educated was fine as long as it was to support the man's career and goals.

Jordan Christy shares advice on how to be the most confident version of yourself, in this fully revised and updated edition derived from *How to Be a Hepburn in a Hilton World*. Though fashions may change, certain things never go out of style--like your favorite little black dress that can take you from a business meeting to a dinner party to a night on the town. But what makes it work is not the dress, it's how you present yourself while wearing it. A woman who is polite, well spoken, gracious, charming, and thoughtful is always welcome--though such women appear to be in short supply these days! Despite the headline-grabbing antics of certain flashy celebantes, most of us would rather have respect--for ourselves and from our family, friends, and colleagues. In this fully revised and updated edition, you will learn how to:

In a society driven by celebante news and myspace profiles, women of class, style and charm are hard to come by. The Audrey and Katharines of the world continue to lose their luster as thongs, rehab and outrageous behavior burn up the daily headlines. But, despite appearances, guys still want a girl they can take home to their mom, employers still like to see a tailored suit and peers still respect classy conduct. So is it possible to maintain old fashioned virtues in a modern world without looking like a starchy Amish grandma? Christy shows women how in this guide to glamorous style, professional success and true love...the classy way. Full of fun assignments, notable names and real-life examples, Christy offers a new look at seemingly "old fashioned" advice. She covers diet, speech, work ethic, friends, relationships, manners, makeup, and fashionable yet modest clothing, showing modern ladies how they can be beautiful, intelligent and fun while retaining values and morals.

A rare glimpse into the woman behind the mystique and the definitive guide to living genuinely with glamour and grace. "Living is like tearing through a museum. Not until later do you really start absorbing what you saw, thinking about it, looking it up in a book and remembering—because you can't take it all in at once."—Audrey Hepburn On many occasions, Audrey Hepburn was approached to pen her autobiography, the definitive book of Audrey, yet she never agreed. A beloved icon who found success as an actress, a mother, and a humanitarian, Audrey Hepburn perfected the art of gracious living. More philosophy than biography, *How to Be Lovely* revisits the many interviews Audrey gave over the years, allowing us to hear her voice directly on universal topics of concern to women the world over:

careers, love lives, motherhood and relationships. Enhanced by rarely seen photographs, behind-the-scenes stories, and insights from the friends who knew her well, *How to Be Lovely* uncovers the real Audrey, in her own words.

How to Hepburn, Karen Karbo's sleek, contemporary reassessment of one of America's greatest icons, takes us on a spin through the great Kate's long, eventful life, with an aim toward seeing what we can glean from the First Lady of Cinema. One part *How Proust Can Change Your Life* and one part *Why Sinatra Matters*, *How to Hepburn* teases some unexpected lessons from the life of a woman whose freewheeling, pants-wearing determination redefined the image of the independent woman while eventually endearing her to the world. This witty, provocative gem is full of no-nonsense Hepburn-style commentary on subjects such as: making denial work for you; the importance of being brash, facing fear, and always having an aviator in your life; learning why and how to lie; the benefits of discretion; making the most of a dysfunctional relationship; and the power of forgiving your parents. Thrilling fans of the notoriously independent actress, award-winner Karen Karbo presents a gusty guidebook to harnessing your inner Hepburn, and living life on your own terms.

Now in paperback, an intimate look at the woman the world adored, by the son who adored her with unique photos, drawings, and other rare Audrey memorabilia. She dazzled millions as Gigi. Eliza Doolittle. Holly Golightly. But to her most adoring fan, Audrey Hepburn was best known for her role as "Mummy." In this heartfelt tribute to his mother, Sean Hepburn Ferrer offers a rare and intimate glimpse into the life of one of Hollywood's brightest stars. *Audrey Hepburn, An Elegant Spirit* is a stunning compilation of nearly 300 photographs, many straight from the family album and never before published; archival documents, personal correspondence, and mementos; even paintings and illustrations from the actress herself. Sean tells Audrey Hepburn's remarkable story, from her childhood in war-torn Holland to the height of her fame to her autumn years far from the camera and the crush of the paparazzi. Sean introduces us to someone whose grace, charm, and beauty were matched only by her insecurity about her appearance and talent, and who used her hard-won recognition as a means to help children less fortunate than her own. With this unique biography, Sean celebrates his mother's history and humanity—and continues her charitable work by donating proceeds from this book to the Audrey Hepburn Children's Fund.

In *Being Audrey Hepburn*, Clarissa Explains It All-creator, Mitchell Kriegman, tells the story of a 19-year-old girl from Jersey who finds herself thrust into the world of socialites after being seen in Audrey Hepburn's dress from the film *Breakfast at Tiffany's*. Lisbeth comes from a broken home in the land of tube tops, heavy eyeliner, frosted lip-gloss, juiceheads, hoop earrings and "the shore." She has a circle of friends who have dedicated their teenage lives to relieve the world of all its alcohol one drink at a time. Obsessed with everything Audrey Hepburn, Lisbeth is transformed when she secretly tries on Audrey's iconic Givenchy. She becomes who she wants to be by pretending to be somebody she's not and living among the young and privileged Manhattan elite. Soon she's faced with choices that she would never imagine making – between who she's become and who she once was. In the tradition of *The Nanny Diaries* and *The Devil Wears Prada*, this is a coming of age story that all begins with that little black dress...

"UNICEF thought that with my mother they would get a pretty princess to show up at galas. What they really got was a badass soldier." &– Luca Dotti, Audrey Hepburn's son
Warrior: Audrey Hepburn completes the story arc of Robert Matzen's *Dutch Girl: Audrey Hepburn and World War II*. Hepburn's experiences in wartime, including the murder of family members, her survival through combat and starvation conditions, and work on behalf of the Dutch Resistance, gave her the determination to become a humanitarian for UNICEF and the fearlessness to charge into war-torn countries in the Third World on behalf of children and their mothers in desperate need. She set the standard for celebrity humanitarians
