Amazon.com: hp photosmart 6510 printer ink

A Panasonic dot-matrix for 4yrs. I had a LexMark inkjet for 8 yrs. By far the best printer I've had to date, the HP Photosmart 3210 All-In-One, the print head screwed up, after 12yrs. I'm replacing the HP 3210 with this printer. I can only hope I get another 12 yrs out of the HP 6510. I have heard others have problems setting up their HP 6510.
