Here you have 2 choices: Sharply press a finger or a second phalange of the bent finger behind the earlobe into the pit between the jaw and neck, or slightly higher on the mastoid process. Take the grip of the ear in a fist - it may be necessary to scratch the entire ear with the palm of your hand.

Humane Pressure Point Tactics complimented the lessons I hold on self defence, particularly through the use of the levels system. Following my certification in Levels 1, 2 and 3 of HPPT my students are now able to understand the different levels of confrontation and apply the correct skills and appropriate techniques to that level, whatever the situation HPPT is now a staple of my teaching programme.
