Raised by three strange sisters, Albia has never known the secrets of her parentage. But when Macbeth seeks out the weird sisters to foretell his fate, his life is entangled with his unknown daughter's. When Albia foresees the terrible future, she becomes determined to save Macbeth's rival-and the man she loves-from her murderous father. Klein's seamlessly drawn tale makes it seem impossible that Albia was not part of Shakespeare's original play.

NOW A MAJOR MOTION PICTURE! If you think you know Ophelia and Hamlet's story, think again... "A spellbinding tale of love, murder, and revenge." -- VOYA As ambitious and witty as she is beautiful, Ophelia is quick to catch the eye of the captivating prince Hamlet. Their love blossoms in secret, but bloody deeds soon turn Denmark into a place of madness, and Ophelia may be forced to choose between her relationship and her own life. In desperation, she devises a plan to escape from Elsinore Castle forever... with one very dangerous secret. Ophelia takes center stage in this bold and thrilling reimagining of Shakespeare's famous tragedy, the story of a young woman falling in love, searching for her place in the world, and finding the strength to survive.

the cause of the Union, while Rosie is swept up in the passions of the old south. Torn in their alliances, each girl finds herself grappling with the brutality of war, and the elusive promise of love, until the battle at Gettysburg brings them together once again.

Losing her favored status with Queen Elizabeth I when her forbidden romance with Sir Walter Raleigh is discovered, Lady Catherine is banished to the doomed colony of Roanoke, where she suspects Raleigh's unfaithfulness and falls for Croatoan Native American, Manteo.

My name is Elizabeth Anne Hawksmith, and my age is three hundred and eighty-four years. Each new settlement asks for a new journal, and so this Book of Shadows begins... In the spring of 1628, the Witchfinder of Wessex finds himself a true Witch. As Bess Hawksmith watches her mother swing from the Hanging Tree she knows that only one man can save her from the same fate at the hands of the panicked mob: the Warlock Gideon Masters, and his Book of Shadows. Secluded at his cottage in the woods, Gideon instructs Bess in the Craft, awakening formidable powers she didn't know she had and making her immortal. She couldn't have foreseen that even now, centuries later, he would be hunting her across time, determined to claim payment for saving her life. In present-day England, Elizabeth has built a quiet life for herself, tending her garden and selling herbs and oils at the local farmers' market. But her solitude abruptly ends when a teenage girl called Tegan starts hanging around. Against her better judgment, Elizabeth begins teaching Tegan the ways of the Hedge Witch, in the process awakening memories--and demons--long thought forgotten. Part historical romance, part modern fantasy, Paula Brackston's New York Times bestseller, *The Witch's Daughter*, is a fresh, compelling take on the magical, yet dangerous world of Witches. Readers will long remember the fiercely independent heroine

who survives plagues, wars, and the heartbreak that comes with immortality to remain true to herself, and protect the protégé she comes to love.

Building on the author's work in *The Big Book of Teen Reading Lists*, this book provides 101 new and revised reading lists created in consultation with teachers and public librarians—an invaluable resource for any educator who plans activities for children that involve using literature.

A fictional account of the life of the eleventh-century Queen Gruadh of Scotland describes how this female descendant of the country's royal line is widowed and forced to wed her husband's murderer, the warlord Macbeth.

Provides a template for teachers for using young adult literature to meet students' reading needs and the common core state standards, featuring ideas for unit planning as well as suggested texts to use for instruction.

We grew up with the same parents in the same castle, but in many ways we each had a moat around us. Sometimes when visitors came they would say, "You are such lucky children; it's a fairytale life you live." And I knew they were right, it was a fairytale upbringing. But fairy tales are dark and I had no way of telling either a stranger or a friend what was going on; the abnormal became ordinary. Liza Campbell was the last child to be born at the impressive and renowned Cawdor Castle, the family seat of the Campbells, as featured in Shakespeare's *Macbeth*. Liza's father Hugh, the twenty-fifth Thane, inherited dashing good looks, brains, immense wealth, an ancient and revered title, three stately homes, and

Bookmark File PDF Lady Macbeths Daughter Lisa M Klein

100,000 acres of land. *A Charmed Life* tells the story of Liza's idyllic childhood with her four siblings in Wales in the 1960s, until Hugh inherited Cawdor Castle and moved his family up to the Scottish Highlands. It was at the historical ancestral home that the fairy tale began to resemble a nightmare. Increasingly overwhelmed by his enormous responsibilities, Hugh tipped into madness fuelled by drink, drugs, and extramarital affairs. Over the years, the castle was transformed into an arena of reckless extravagance and terrifying domestic violence, leading to the abrupt termination of a legacy that had been passed down through the family for six hundred years. Written with a sharp wit, *A Charmed Life* is a contemporary fairy tale that tells what it's like to grow up as a maiden in a castle where ancient curses and grisly events from centuries ago live on between its stone walls. Painstakingly honest and thoroughly entertaining, Liza Campbell offers a compelling look at what it is like to grow up with enormous privilege and yet watch the father she idealizes destroy himself, his family, and his heritage.

Agoraphobic sixteen-year-old Solomon has not left his house in three years, but Lisa is determined to change that--and to write a scholarship-winning essay based on the results.
