working against them. Marlene's family is dead set against the relationship and Curtis harbors a ten year old secret that can tear them apart. Stranded, Stalked and Finally Sated (License To Love: Book 1) Clara Roberts has found herself forced to flee across country, pursued by a madman who seems to have access to every aspect of her life. Consequently, she is off the grid and under the radar when her truck breaks down in a small corner of Southwestern, Oklahoma, and she finds herself at the mercy of a local cowboy. While she knows that she will eventually have to keep running to stay one step ahead of her stalker, she begins to find herself drawn to this man. With his support she decides that her life is something worth fighting for. Shad Brandt wasn't sure what to expect when he pulled over to help out the girl on the side of the road, but it isn't long before he realizes that she was a lot more than he bargained for. He knows that she is running from something, but he can't quite place his finger on what it is. However, he cannot turn his back on this woman in need and when he opens his home and his heart to her he finds something else entirely. So when danger comes to lay claim to Clara, he finds that he is willing to sacrifice everything to make sure she stays safe.

Alyssa Fairfield has led the life of a hermit since the death of her husband three years before. When her childhood friend, Clara Roberts, turns to her for help fleeing her stalker it forces Alyssa to break out of her self-imposed shell. When Clara doesn't show up a cryptic letter forces Alyssa to go on a manhunt in Southwestern Oklahoma to find her friend. Alyssa pushes her way into a garage, only to be confronted by a man who will break down every wall she has constructed to protect herself. But she may just need those barriers when she is confronted by evil. Woodruff "Woody" Brandt was the loner of his family who preferred working on the cars and trucks in the safety of his small town garage to dealing with people and taking chances. When she is thrust into danger he sets out on a mission to get her back at all costs, no matter what the risk.

Melinda Brandt is fiercely protective of her brothers, and has been since her

mother's death at an early age. In fact, she has built her life and her career as Sheriff on her ability to always maintain control. Now, it feels as if even that is slipping away from her. A madman (Charles Sanders) has entered her family's lives, causing her brothers to flee and leaving her all alone. Now an outside agency is moving in to take the case away from her, and she cannot bear to let it go. In a desperate attempt to regain control, Melinda goes outside of the law and leaves town with Charles's step-brother (Cale Winters) to track him down and bring him to her own brand justice. On the road, she finds her primal self responding to Cale's presence, but how can she dare to let her guard down with so much on the line? When Cale first met Stanhope's Sheriff, Melinda Brandt, it had not been under the best of circumstances but he had felt an immediate attraction to this brunette haired tour de force. He had been forced to table his attraction, however as he had only come to the small Oklahoma town because his step-brother Charles had been arrested and he had promised his mom that he would act as his attorney. Cale has always felt responsible for Charles, but when he escapes and goes on the run after attacking members of Melinda's family, Cale knows he can no longer sit idly by. Pairing up with Melinda, the two strike out on the road to hunt down his brother. The longer they spend together, the more Cale begins to see through her tough exterior, but the closer he gets, the more she shuts him out. Will he be able to withstand the fire long enough to remain unbranded by her intensity or will her wild spirit remain untamed? When lives are on the line, can he choose this woman over the man that was raised as his brother?

Cole McKenna has been a rancher at Silver River since he was old enough to walk. He doesn't mind the scars and bruises, but he's starting to hate the feeling of being tied down, especially when the neighboring ranch is put up for sale. Raven Branch has always called to him and when a pretty young woman from the city arrives to take over he is determined not to let her ruin his favorite piece of land. Soon he has to wonder though. Is he keeping an eye on the ranch...or the woman?

Darrell McKenna is used to being an independent man. With a steady rodeo career and a job on his family ranch, he has everything he wants. When it all changes in the blink of an eye, can he see past his disappointment to something better over the horizon?
