and Back ~~Nadia Knows Best Jill Mansell~~

In Nadia Knows Best by Jill Mansell, the Kinsella family is far from conventional with a mother, Leonie who skips out on her husband and two daughters, Nadia and Clare, and drops another daughter, Tilly, off with her former husband James years later. Living with their high-brow grandmother, Miriam, Nadia and Clare are mostly well-adjusted young women sorting out their own lives, while their youngest sister, Tilly, is just 13 and still looking for her place in the family.

It doesn't matter how sharply wrought the dialogue is, or how buoyant the plotting--a novel such as Nadia Knows Best stands or falls on whether or not the reader identifies with the central characters. And it's here that Jill Mansell knows precisely what she's doing: it's impossible to resist becoming involved with the characters even when they irritate us (and Mansell knows that from Jane Austen onwards,
