Jamie Kelly writes in her diary about her search for inner beauty, her fund raising efforts for the Juvenile Optometry Federation, and her practice strategy for the Jump-Rope-A-Thon.

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true...or at least as true as it needs to be. Her best friend's a backstabber. Her worst enemy is a sweetheart. And her dog is just waiting for the right moment to seek his revenge. Why should Jamie even bother going to school? Why not? After a run-in with Mega-Popular Angeline, aka Pure Evil, Jamie reforms her selfish ways & becomes the decent human being she never thought she could be. But she quickly realizes that helping others kind of stinks. Is someone trying to thwart her attempts at irresistible inner beauty? Or will Jamie finally achieve the "I'm an angel" glow she knows will make Hudson Rivers fall madly in love w/ her?

Read the hilarious, candid (& sometimes mean) diaries of Jamie Kelly, who promises that everything in her diary is true...or at least as true as it needs to be. In this book, Jamie contends with Angeline, the school's prettiest, most popular girl (who Jamie thinks is a goon!) and the impending visit of her troll-like little cousin. Will Jamie survive? Will she go mad? Will she send her mom's nasty casserole to starving children in Wheretheheckistan? You'll just have to read the first installment of Dear Dumb Diary to find out!

The hilarious and bestselling series from Jim Benton continues! It's not easy being a middle-schooler, and nobody knows that better than Jamie Kelly. There are surprises around every corner: some good, some bad, all dumb. But when Jamie inherits a trunk of her grandmother's things, she never expects to find the biggest surprise of all -- Grandma's diary. Violating the privacy of a diary is something Jamie would never do . . . unless she was absolutely certain that she wanted to do it. And when she does, she learns that, deep down, everyone is exactly the same. Dumb. Jamie still has no idea that anyone is reading her diary, so please, please, please don't tell her. And definitely don't tell her that she's the star of her very own Dear Dumb Diary movie, available on DVD. (Her glamorous ego might not be able to handle it.)

Jamie Kelly writes in her diary about her "flawless" friend, Angeline, her favorite band, and all the trials and tribulations of middle school.

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true...or at least as true as it needs to be. Dear Dumb Diary, My social studies teacher, Mr. VanDoy, never smiles. I know that's hard to believe, because everybody smiles about something, right? Isabella smiles when her brothers get in trouble. Angeline smiles when she thinks about how much prettier she is than, like, a waterfall or a unicorn. I smile when I think about a unicorn kicking Angeline over a waterfall. But Mr. VanDoy doesn't smile at all. I wonder if when you become an adult, you can lose your sense of humor the way you lose your teeth or hair or fashion sense.

Jamie Kelly writes in her diary about her new jeans, which seemingly cause events that affect both her popularity and her efforts to get close to the eighth cutest boy in school, Hudson Rivers.

Jamie Kelly documents events in her diary as she becomes dog-in-laws with her enemy, Angeline, her class's journal-writing assignment goes badly wrong, and her friend Isabella starts being nice to Angeline.

Jamie Kelly is back and dumber than ever in this super-deluxe four-color Dear Dumb Diary special edition! Life at Mackerel Middle School is as dumb as ever -- but Jamie Kelly may have finally found the key to fame, fortune, and fabulousness. Together with Isabella and Angeline, she's come up with a moneymaking idea, and it has to do with food. Everyone likes food! They're going to be rich! The only problem? They have to come up with something that people actually want to eat. Jamie has some sophisticated thoughts on food, like, "She was manipulating us like dough. Like the sweet, delicious dough that we are. And she was baking us into the type of delicious cookies you can only get from dough like us. And she was putting sprinkles of us on top of us, and -- forget it. I'm hungry. I want some cookies." This is sure to go well.

More (nearly) true confessions from the diaries of Jamie Kelly. A hilarious middle-schooler's diary about her stinky beagle, mad best friend, disgustingly lovely rival and unrequited crush on the eighth-best-looking boy in the class. It's Wimpy Kids for girls! Fantastic black and white cartoons throughout.
