A riveting account of the remorseless rise of Bernie Ecclestone, the international Formula One tycoon.

Private, mysterious and some say sinister, 79 year-old Bernie Ecclestone criss-crosses the globe in his private jet mixing with celebrities, statesmen and sporting heroes. Ecclestone's success has not just been to create a multi-billion pound global business but to resist repeated attempts to snatch the glittering prize from his control. Ecclestone has never before revealed how he graduated from selling second-hand cars in London's notorious Warren Street to become the major player he is today. He has finally decided to reveal his secrets: the deals, the marriages, the disasters and the successes on race tracks, in Downing Street, in casinos, on yachts and in the air. Surprisingly, he is telling his life's story to Tom Bower, described by Ecclestone as 'The Undertaker' - the man who buries reputations - and has given him access to all his friends and enemies. All have been told by Ecclestone, 'Tell him the truth, good or bad.' The result is a unique story of a simple, driven man who unlike shady tycoons offers an intriguing insight into the sport, business and, above all, the human spirit. 'I'll accept your facilities,' Bower told Ecclestone, 'but if I find evidence of wrongdoing or hear any criticism, it will all be published.' After a brief moment, Ecclestone replied, 'Tom, I'm no angel.'

In December 2011, 21-year-old Victoria's Secret Runway Angel Kylie Bisutti stunned the fashion industry when she chose faith over fame and fortune and made the switch from supermodel to role model. In I'm No Angel, Kylie shares her story—from her early years as she struggled to make it big in the cutthroat world of modeling, to her “big break” winning the Victoria's Secret Runway Angel competition, to the disillusionment and spiritual warfare that followed. After finally realizing that she could no longer reconcile her career with her Christian beliefs, she surrendered her life to God and dedicated her life to preaching a message of modesty and inner beauty. Along the way, Kylie talks about her personal struggles with inadequacy, low self-esteem, and her near-constant quest for approval in a world where you can never be thin enough, pretty enough, or sexy enough. She helps readers understand that true beauty lies within and that real fulfillment comes from knowing, loving, and serving Christ.

After her mother's death, Lily Owens and her African-American maid seek refuge from the racism of their South Carolina hometown with eccentric beekeeping sisters in this coming of age story representing the letter “K” in a new series of twenty-six collectible editions.
