5) Doodle with correction pen. One of the best pens you can buy is a fine point correction pen. After you have colored all the white areas, you can make the white to come back with the correction pen! Now doodle over the paper, here and there... 6) Add contrast and shine. Take your black marker and make pretty dots near the white areas.

How To Make Your Own Patterned Paper

Number patterns worksheets to help students recognize and continue patterns. Number patterns are everywhere in mathematics. Skills in recognizing and creating number patterns will ensure students are able to add and subtract efficiently, recognize patterns in numbers, and handle more complex math activities that use patterns.
