3 min (s) read. "Philosophical Foundations For A Christian Worldview" is no doubt William Lane Craig and J.P Moreland's magnum opus. This book gives a thorough treatment on a variety of different subjects that one can think of and defends philosophically the crucial tenets of Christian theology; Substance Dualism, The Existence of God, the logical coherence of the doctrine of The Trinity, the logical coherence of the incarnation of God in Christ, it refutes the logical and evidential ...

**BOOK REVIEW: Philosophical Foundations For A Christian** ---  
Since the original publication of Philosophical Foundations for a Christian Worldview in 2003, it has risen to the top of the pyramid as a resource for Christian students and scholars in expounding and defending the philosophical basis for the Christian worldview. The comprehensiveness of this text is overwhelming and now has been made even better with updates including new chapters on substance dualism, new evidence for the Kalam argument and the fine-tuning argument, an updated section on ...

**Philosophical Foundations for a Christian Worldview** ---  
This is precisely why it is essential for all Christians to have at least some knowledge of the philosophical foundations of their faith. Those who do not will either fall away, become insulated and ineffectual witnesses, or—even worse—hold syncretistic and heretical views which they then propound throughout the church as being the Christian or biblical view.
