The SAT score helps determine acceptance into college and the acquisition of scholarships. In the new expanded edition of the SAT & College Preparation Course for the Christian Student, Dr. James Stobaugh offers the Christian student a unique opportunity to be well prepared for the test. Also, students will focus on the spiritual disciplines of Bible reading, study, Scripture meditation and memorization, and prayer. A former SAT scorer, Stobaugh reports, “ the best SAT scores come from students who have serious, disciplined prayer and devotional lives. ” For this reason, the introduction to each lesson includes Scripture reading and a devotional journaling exercise. Critical thinking and essay writing are major themes within the SAT. Stobaugh coaches the Christian student who might otherwise passionately respond to a leading essay question without hitting the marks that the test is measuring.
