Gillian Flynn says, "Karin Slaughter is simply one of the best thriller writers working today." A small Georgia town erupts in panic when a young college professor is found brutally mutilated in the local diner. But it's only when town pediatrician and coroner Sara Linton does the autopsy that the full extent of the killer's twisted work becomes clear. Sara's ex-husband, police chief Jeffrey Tolliver, leads the investigation—a trail of terror that grows increasingly macabre when another local woman is found crucified a few days later. But he's got more than a sadistic serial killer on his hands, for the county's sole female detective, Lena Adams—the first victim's sister—want to serve her own justice. But it is Sara who holds the key to finding the killer. A secret from her past could unmask the brilliantly malevolent psychopath .. or mean her death.

For the first time in print, step into the fantasy world of The Elder Scrolls Online. Tales of Tamriel - Vol. I: The Land takes readers on adventure throughout the war-torn landscapes and battlefields of Tamriel, featuring a horde of in-game texts and exclusive artwork. Lavishly bound and produced, this series of books is the definitive guide to lore from the Elder Scrolls Online.

When an ancient evil awakens and unleashes an army of undead warriors that lay waste to the world of Tamriel, emperor's son Attrebus Mede joins a group of mages, thieves and warriors in a formidably outnumbered battle to protect and reclaim their home. Original. Video game tie-in.

Based on the award-winning The Elder Scrolls, The Infernal City is the first of two exhilarating novels following events that continue the story from The Elder Scrolls IV: Oblivion, named 2006 Game of the Year. Four decades after the Oblivion Crisis, Tamriel is threatened anew by an ancient and all-consuming evil. It is Umbriel, a floating city that casts a terrifying shadow—for wherever it falls, people die and rise again. And it is in Umbriel's shadow that a great adventure begins, and a group of unlikely heroes meet. A legendary prince with a secret. A spy on the trail of a vast conspiracy. A mage obsessed with his desire for revenge. And Annaig, a young girl in whose hands the fate of Tamriel may rest

Immerse yourself in 45 spectacularly imagined virtual cities, from Arkham City to Whiterun, in this beautifully illustrated unofficial guide. Spanning decades of digital history, this is the ultimate travel guide and atlas of the gamer imagination. Dimopoulos invites readers to share his vision of dozens of different gaming franchises like never before: discover Dimopoulos's Half-Life 2's City 17, Yakuza 0's Kamurocho, Fallout's New Vegas, Super Mario Odyssey's New Donk City, and many more. Each chapter of this virtual travel guide consists of deep dives into the history and lore of these cities from an in-universe perspective. Illustrated with original color ink drawings and—of course—gorgeous and detailed maps, readers can explore the nostalgic games of their youth as well as modern hits. Sidebars based on the author's research tell behind-the-scenes anecdotes and reveal the real-world stories that inspired these iconic virtual settings. With a combination of stylish original maps, illustrations, and insightful commentary and analysis, this is a must-have for video game devotees, world-building fans, and game design experts.

Introducing a new publication for the South Bend Lathe enthusiast from ILION Industrial Services: A Guide to Renovating the South Bend Lathe for Models 10L and 10R (known as the Heavy 10), 13" 14.5" and 16". The manual is a bound 8.5" x 11" soft cover, 156 pages in length and is fully illustrated with over 450 B&W photographs plus step-by-step instructions for refurbishing your lathe. As you will notice, this is NOT a fuzzy Xerox reprint of an existing manual. Our book was painstakingly produced over the last two years specifically with the South Bend Lathe owner in mind and it addresses the most commonly asked questions and methods for how to renovate a used lathe. Even though South Bend ceased production of these fine quality lathes years ago, there are still thousands of servicable lathes sitting out there in home shops, small businesses, schools and machinery dealers. Our book takes the guess work out of what to do if you find one and decide to purchase. The details include the sequence for disassembling, cleaning, reassembling and adjusting the critical components of the heavy 10, 13", 14 1/2" and 16" industrial lathes. The basic design of the industrial series of lathes was essentially the same except for the scale so the 10L and 13" lathes are primarily used for demonstration purposes in the manual but all steps will apply directly to the 14.5" and 16" lathes as well. The manual has specific chapters dedicated to both the single tumbler and double tumbler style of gearbox. Additional information is included for evaluating and purchasing a used SBL if you are not lucky enough to already own one. There is a section on refinishing industrial machinery plus a guide on how to handle special fasteners like taper pins. The typeface of the manual is printed two points larger than normal for those of us who prefer to work at the bench without reading glasses. The instructions are very straight forward and no prior machinery renovation experience is required. The manual also includes a list of resources for vintage SBL owners as well as parts references, tool requirements, lubrication guides and material specifications. If you have a Southbend lathe, don't miss your chance to pick up this complete guide for your machine at a very reasonable price.

Demonstrates through step-by-step instructions how to compete in the game, along with character profiles, maps for each level, a tour of each location, and strategies for how to advance through each level.

The Elder Scrolls V: Skyrim is one of the bestselling and most influential video games of the past decade. From the return of world-threatening dragons to an ongoing civil war, the province of Skyrim is rich with adventure, lore, magic, history, and stunning vistas. Beyond its visual spectacle alone, Skyrim is an exemplary gameworld that reproduces out-of-game realities, controversies, and histories for its players. Being Dragonborn, then, comes to signify a host of ethical and ideological choices for the player, both inside and outside the gameworld. These essays show how playing Skyrim, in many ways, is akin to "playing" 21st century America with its various crises, conflicts, divisions, and inequalities. Topics covered include racial inequality and white supremacy, gender construction and misogyny, the politics of modding, rhetorics of gameplay, and narrative features.
