### Solution selling - Wikipedia

You've probably heard of solution selling -- maybe it's your strategy of choice. Solution selling is a sales methodology that became popular in the 1980s. The formula is pretty simple: The salesperson diagnoses her prospect’s needs, then recommends the right products and/or services to fill those needs. The prospect might not know he has a problem or opportunity, let alone what it looks like, how urgent or important it is, and how he should address it.

### Solution Selling: The Ultimate Guide - HubSpot

Solution selling is the process of selling the customer a solution to their problems as opposed to a product or service. The term is associated with the sales of products and services that can be used as the building blocks of a custom implementation. Solution selling is common in areas such as construction services, software and outsourcing sales.
