The Body Keeps the Score: Brain, Mind, and Body in the ...  
Dr. Bessel van der Kolk, one of the world's foremost experts on trauma, has spent over three decades working with survivors. In *The Body Keeps the Score*, he uses recent scientific advances to show how trauma literally reshapes both body and brain, compromising sufferers' capacities for pleasure, engagement, self-control, and trust.

The Body Keeps the Score: Brain, Mind, and Body in the ...  
In *The Body Keeps the Score*, he infuses empirical, innovative research with hands-on clinical experience to explain trauma in a clear, authentic way. I loved his emphasis on incorporating both biology and social relationships into our understanding of trauma, as awful events affect both the body as well as the actual life of a struggling ind

The Body Keeps the Score: Brain, Mind, and Body in the ...  
The body keeps the score: If the memory of trauma is encoded in the viscera, in heartbreaking and gut-wrenching emotions, in autoimmune disorders and skeletal/muscular problems, and if mind/brain/visceral communication is the royal road to emotion regulation, this demands a radical shift in our therapeutic assumptions.

Book Review: The Body Keeps the Score - Mental Health @ Home  
The Body Keeps the Score is the inspiring story of how a group of therapists and scientists— together with their courageous and memorable patients—has struggled to integrate recent advances in brain science, attachment research, and body awareness into treatments that can free trauma survivors from the tyranny of the past.

The Body Keeps The Score | Bessel van der Kolk, MD.
